

**2006 Pinot Noir**  
**RITA'S EARTH CUVEE**

*Winemaker's Notes:*

A great value! This easy to drink version of dense trophy Pinots, still shows the signature earthy, berry quality and refinement of the Sta. Rita Hills region. A berry/cherry core backed by a cool, earthy spice, makes it a versatile quaff to enjoy with anything grilled over coals.

**2004 Cabernet Sauvignon**  
**NEW EPOCH RESERVE**

*Winemaker's Notes:*

A deep garnet color, the wine offers lush, deep berry/cherry fruit beautifully accompanied by flavors of dark chocolate, Oriental spice and a judicious amount of toasty oak. Of regal bearing, it's a natural with filet mignon.

**2006 Pinot Noir**  
**GRAND CUVEE, Sta. Rita Hills**

*Winemaker's Notes:*

A wine of richness and finesse, it is everything we hope for in a "Reserve Pinot." Aromas of juniper berries, violets, earth and spice are joined by rich flavors of ripe, dark cherries. Firm tannins suggest further aging, but it is enjoyable now with lamb or pork.

**2005 Cabernet Sauvignon**  
**CLASSIC ROCK CUVEE**

*Winemaker's Notes:*

A great value! The wine is deep in color with the nose loaded with spicy, chocolaty boysenberry fruit, and the flavors following suit. Its power, refinement, and balance is an expression of Cabernet grown in the right place.
